DEPUTIES' MEETING

Monday, 30 July 1956

PRESENT: Mr. Dulles, General Cabell, Mr. Wisner, Mr. Amory,
Mr. [REDACTED] Mr. Lloyd, General [REDACTED] Mr. Sheldon,
Mr. [REDACTED]

Mr. Dulles:

b. Noted he had experienced some difficulty in obtaining a copy of the Treaty of 1888 and in fact, the one he had was contained in a paper backed Penguin book and did not contain the preamble which the Director said was most interesting. The Director said he felt our library should have on file copies of international documents for ready reference.
ACTION: DD/I.

c. Noted he had read with a great deal of interest several cables received this morning from [REDACTED] on the [REDACTED] situation and asked DD/P to insure that these cables and all others pertaining to this matter be made available to DD/I. Note: It was agreed these messages would be made available to DD/I, AD/CI and AD/NE.

Noted that Senator Scoop Jackson, who is a Major in the Army Reserve, is being recalled to active duty for a tour with G-2 and plans to visit the Soviet Union. Mr. [REDACTED] said that G-2 has organized a complete briefing for the Senator which is taking place this week and CIA had been offered three hours on 4 August to provide any briefing we might wish to give. In the discussion that followed it was agreed that: 1) CIA should

not duplicate subjects covered by G-2; 2) we should if possible lay on some requirements for the Senator; 3) we would give him a rather complete run-down on the de-Stalinization program; 4) the Director would call Senator Jackson and speak to him about his trip. ACTION: DD/p in coordination with DD/I will draw up a program for the briefing. This program will be submitted to the Director for his approval.

b. Noted that a female employee of DD/P had requested approval to "be seated on the Floor during the Democratic Convention". It was agreed this request would be disapproved since it would appear to be in violation of the Hatch Act.

General [REDACTED]
